

Timothy Randall Allen (Randy)

November 12 1946- January 16 2025

Randy Allen was born in Wilmington, North Carolina November 12, 1946 to Catherine Anderson Allen and Thomas Earl Allen.

From an early age, Randy had a passion for airplanes and dreamed of becoming a pilot. He fulfilled his dream at an early age, attending American Flyers Flight Academy in Ardmore, Oklahoma and becoming one of the youngest pilots to fly for Piedmont Airlines, later US Airways. He later became a Boeing 767 captain and highly respected instructor in the US Airways training department.

His passion for aviation instilled the desire to fly in many young friends, often teaching them to fly. He remained active in the aviation community and enjoyed many longtime friendships.

After retiring from US Airways he enjoyed his life on the coast and spent many summer evenings cruising with friends and family on his Grady White.

He is survived by his wife of 17 years, Debby Lipton Allen, Daughter, Susan Bennett ( Davis), son Randall Brian Allen (Hannah) and 7 grandchildren, niece and nephew, and numerous cousins.

He was predeceased by his beloved brother, Thomas Earl Allen.

He will be missed greatly. Arrangements will be forthcoming.
